Sanitizers and Wipes

X3 Hand Sanitizer Dispenser and Cartridge

- Kills 99.9% of germs that cause diseases
- Gentle, alcohol-free, fragrance-free
- Convenient dispenser with hands-free options

Part Numbers:
Standard Wall Dispenser • XXX10080
Touchless Wall Dispenser • XXX10085
1 Litre Non-Alcohol Cartridge • XXX10006

Sani-Cloth Plus

- Great for cleaning and disinfecting respirators and other PPE
- Pre-moistened, alcohol free towelettes
- Will not damage plastic and rubber

Part Number: 610249

Purell® Sanitizing Wipes Canister

- Kills harmful bacteria or germs
- Use anytime for quick clean-up
- Fragrance and dye free
- 175 wipes, 6"x7" canister (15.2cm x17.8cm)

Part Number: 2120ZC

Purell® Hand Sanitizing Wipes

- Kills more than 99.99% of most common germs that may cause illness
- Individually packaged wipes remove light soils and dirt from hands
- Fragrance and dye free

Part Number:
250 ml • 231ZZ
100/box • 9022CNZC

X3 Germ Attack Hand Sanitizer

- Kills 99.9% of germs that cause diseases
- Gentle, alcohol-free, fragrance-free
- No sticky feel

Part Numbers:
250 ml • 231ZZ
75 ml • 230Z

Safety & PPE

When it comes to safety, being somewhat prepared isn't good enough. From hard hats and hearing protection to safety glasses and gloves, Cintas knows that you want to provide your employees with high-quality safety gear and that you want it to be available when they need it.

SAFETY PRODUCTS INCLUDE:

- 39 Safety Center Series®
- 41 Hand protection
- 69 Eye and face protection
- 71 Hearing protection
- 73 Respiratory protection
- 77 Hi visibility apparel
- 81 Disposable wear
- 83 Head protection
- 85 Signage
- 87 Cleanup and disposal
- 88 Electrolytes

Safety products are essential. Cintas has you covered.

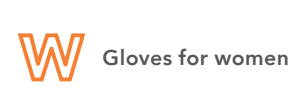

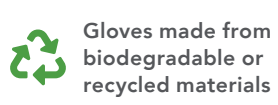

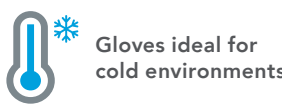

Protecting your employees with safety supplies and personal protective equipment (PPE) is a top priority. With the Cintas Safety Center Series®, we will take care of stocking and ordering your selected items for you to have the **Instant Inventory™** you need so you can focus on your business.

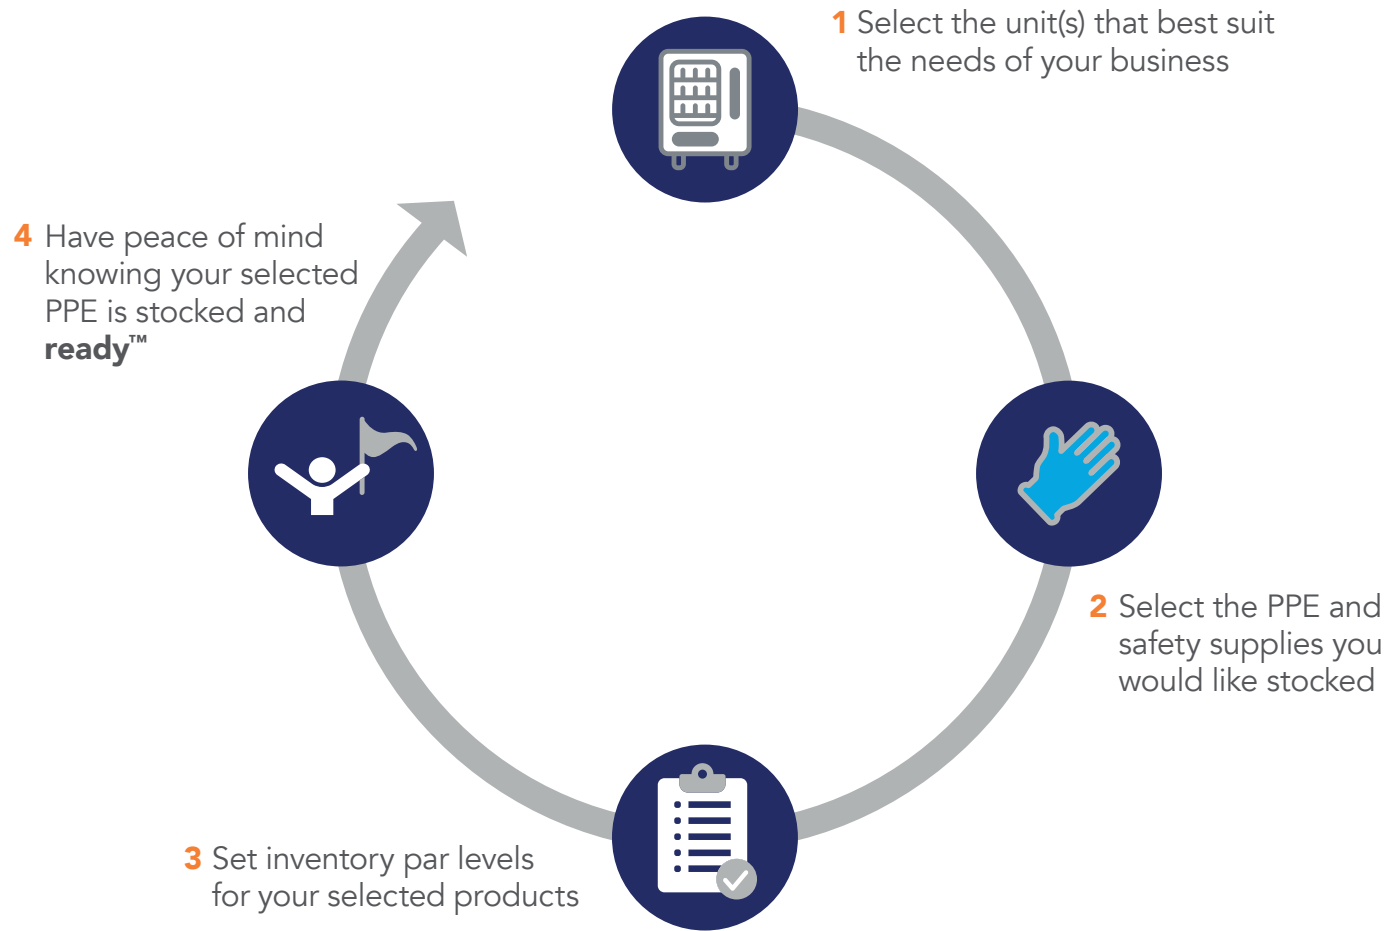

THE SAFETY DIRECTOR®

Quality products and great value — that's what you can expect when you select supplies with our private-label brand, The Safety Director®. Many of these products come in easily identifiable packaging so your employees can get exactly what they are looking for without the hassle. You will find many products to choose from in nearly every category – just look for the red and blue shield.

ICON GLOSSARY

HOW TO GET STARTED:

BENEFITS OF SERVICE

- Routine, onsite service from a dedicated professional
- Regular restocking and organizing of your selected safety products and PPE so you have the **Instant Inventory™** you need
- Multiple options for storage to fit your needs
- Thousands of products from leading manufacturers
- Network of warehouses across North America with inventory readily available

Safety Center Series®

Safety Center® Basic

- 16-gauge steel
 - Silver, metal handle
 - Safety products secured in a centralized location of your choosing
 - 36" W x 24" D x 78" H
- Part number:** 577100

Safety Center® Plus

- 14-gauge steel
 - Steel handle
 - Customized access by user with individual access codes or HID badges
 - 36" W x 24" D x 78" H
- Part number:** 577101

Available individually
or as a combo.

Safety Center® Pro

- 36 selections, capacity of 360 items
 - 10.1" touchscreen display showing detailed product information
 - The guaranteed delivery system uses laser technology to ensure products are dispensed
 - Comes standard with: RFID card reader, cellular modem, touchscreen, LED lighting, laser technology for dispensing
 - 72" H x 29.3" W x 35.2" D
- Part number:** 577106

Safety Center® Select

- 18 standard compartments
 - Ideal for larger items such as boxes of nitrile gloves, respirators, hard hats and safety vests
 - Optional scale technology provides absolute control for sensitive or higher cost items
 - Comes standard with: RFID card reader, cellular modem, touchscreen, LED lighting, adjustable compartments to fit all products
 - 73.3" H x 30.1" W x 26.4" D
- Part number:** 577107

Hand protection

Just as the name implies, cut-resistant gloves help you protect your employees from cuts caused by sharp objects like glass, metal and other materials - so all they need to focus on is the job at hand. They're ideal for many industries such as manufacturing, oil and gas, metal working and mining.

CUT RESISTANT

SD-CUT 2™ Polyurethane Coated HPPE

- Seamless construction offers increased comfort and breathability
- Polyurethane coated palm and fingertips for great abrasion resistance and outstanding wet/dry grip

Part Numbers:

S • 609153S XL • 609153XL1
M • 609153M 2XL • 609153XL2
L • 609153L

MaxiFlex® Cut™

- Seamless knit engineered yarn
- Premium Nitrile coated MicroFoam grip

Part Numbers:

XS • 583613 XL • 583617
S • 583614 2XL • 583618
M • 583615 3XL • 593124
L • 583616

Stealth Cobra

- 18gg glass, nylon, HPPE and spandex shell
- Conductive coating on palm and fingers

Part Numbers:

XS • 620142XS L • 620142L
S • 620142S XL • 620142XL
M • 620142M 2XL • 620142XL2

Stealth Cyclone

- 18gg cut resistant HPPE shell
- Sandy nitrile palm

Part Numbers:

XS • 620149XS L • 620149L
S • 620149S XL • 620149XL
M • 620149M 2XL • 620149XL2

Stealth Stinger

- 15gg fine gauge HPPE, nylon, glass and spandex shell
- Lightweight polyurethane coated palm

Part Numbers:

XS • 620140XS L • 620140L
S • 620140S XL • 620140XL
M • 620140M 2XL • 620140XL2

MaxiCut® Ultra™

- Premium nitrile coated MicroFoam
- Cut protection combined with comfort and dexterity for dry environments

Part Numbers:

S • 596305 L • 596090
M • 596089 XL • 596091

CUT RESISTANT

Dexterity®

- Foam nitrile palm coating for strong grip
- Sewn with cut-resistant DuPont™ Kevlar® fiber

Part Numbers:

2XS • 620177XS2 L • 620177L
XS • 620177XS XL • 620177XL
S • 620177S 2XL • 620177XL2
M • 620177M

TenActiv™

- Continuous filament yarn
- Polyurethane palm coating provides strong grip

Part Numbers:

2XS • 620178XS2 L • 620178L
XS • 620178XS XL • 620178XL
S • 620178S 2XL • 620178XL2
M • 620178M 3XL • 620178XL3

Stealth Falcon

- 15gg glass, nylon, HPPE and spandex shell
- Conductive coating on palm and fingers

Part Numbers:

XS • 620143XS L • 620143L
S • 620143S XL • 620143XL
M • 620143M 2XL • 620143XL2

G-TEK® KEV Seamless Knit Latex Coated Kevlar

- Kevlar® fiber shell provides high tensile strength relative to its weight
- Latex "Crinkle" coated palm and fingertips provides superior grip in wet/dry conditions with abrasion resistance

Part Numbers:

M • 1738720 XL • 1738740
L • 1738730

G-TEK® Polykor™ Polyurethane Coated Seamless Knit

- Polyurethane coated fingers and palms for great abrasion resistance, puncture resistance and outstanding wet/dry grip

Part Numbers:

M • 576459 XL • 576461
L • 576460

TenActiv™

- High-strength composite filament fiber
- Polyurethane palm coating provides great grip

Part Numbers:

2XS • 620171XS2 L • 620171L
XS • 620171XS XL • 620171XL
S • 620171S 2XL • 620171XL2
M • 620171M 3XL • 620171XL3

Hand protection

CUT RESISTANT

TenActiv™

- Designed with electrostatic dissipative (EDS) properties for working with micro-electrics

Part Number:

2XS • 620172XS2	M • 620172M	XL • 620172XL
XS • 620172XS	L • 620172L	2XL • 620172XL2

Hand protection

CUT RESISTANT SLEEVES

Contender™

- 10" sleeve
- Double-layer para-aramid cut-resistant and heat-resistant tubular knit sleeves
- Flame resistant properties

Part Number:
L • 620228L

Contender™

- 10" sleeve with thumbhole
- Double-layer para-aramid cut-resistant and heat-resistant tubular knit sleeve
- Flame resistant properties

Part Number:
L • 620229L

Contender™

- 18" sleeve with thumbhole
- Yarn knit from a blend of Kevlar™ and composite filament fiber
- Flame resistant properties ensure no burning, melting or dripping

Part Numbers:
S • 620230S

CUT RESISTANT SLEEVES

Contender™

- 18" sleeve
- Made with DuPont™ Kevlar® fiber for reliable cut protection
- Elasticized STAYz-UP™ armbands hold sleeves in place for full arm coverage
- Flame-resistant properties

Part Number:
XS • 620230XS

TenActiv™

- 18" sleeve
- Tubular knit sleeves protect entire arm against cut, abrasion and dirt
- Not intended for use around heat, sparks or flames

Part Number:
M • 620230M

TenActiv™

- 18" sleeve with thumbhole
- Tubular knit sleeves protect entire arm against cut, abrasion and dirt
- Not intended for use around heat, sparks or flames

Part Number:
L • 620230L

Hand protection

Comfort, fit and dexterity are key when it comes to hand protection, and our coated knit gloves deliver. Well-suited for a wide range of job applications and hazards, these popular gloves are made from a variety of fibers, dips and coatings.

COATED KNIT

Maxiflex® Endurance® Micro Foam Nitrile Coated Nylon

- Unique Micro Dots on Palm for excellent grip, durability and cushioning
- Ultra cool and very comfortable
- Breathable coating keeps hands cool and dry
- Excellent dexterity, sensitivity and tactility

Part Numbers:

M • 1749920 XL • 1673540
L • 1673530

G-Tek® Nitrile Coated Knit with MicroSurface Grip

- Features a revolutionary new surface treatment that provides a superior grip in dry wet or oily conditions
- Excellent resistance to liquid permeation
- Oil does not penetrate the glove

Part Numbers:

S • 1732610 XL • 1732640
M • 1732620
L • 1732630

Maxiflex Ultimate

- MicroFoam nitrile coatings are compatible with light oils and will provide a good grip
- Knit Wrist helps prevent dirt and debris from entering the glove

Part Numbers:

XS • 1732500 L • 1732530
S • 1732510 XL • 1732540
M • 1732520 2X • 1732550

MaxiDry® Gauntlet Cuff

- Ultra lightweight nitrile glove
- Non-slip MicroFoam grip compatible with light oils
- Locking cuff ensure the glove doesn't slip

Part Numbers:

M • 77702 XL • 77704
L • 77703

MaxiFlex® Endurance™

- MicroFoam nitrile coatings are compatible with light oils
- Raised micro dots increase durability and offer more cushioning in highly repetitive applications requiring precision handling

Part Numbers:

S • 620350S L • 620350L
M • 620350M XL • 620350XL

Hi Vis Acrylic with Crinkle Grip Latex

- High Visibility 7 gauge lime acrylic terry shell with black foam latex crinkle grip
- Excellent thermal insulation for outdoor as well as indoor refrigerated applications
- Quickly evaporates moisture from the skin

Part Numbers:

L • 578032 XL • 579460

COATED KNIT

Dexterity®

- Tough nitrile dipped palm coating forms to fit the users hand
- 100% cotton seamless knit shell provides comfort and dexterity

Part Numbers:

2XS • 620187XS2 L • 620187L
XS • 620187XS XL • 620187XL
S • 620187S 2XL • 620187XL2
M • 620187M

Dexterity®

- Virgin cotton seamless knit shell provides comfort and dexterity
- Nitrile palm coating provides steady wet grip for handling lightly oiled parts

Part Numbers:

LEATHER PALM

Endura®

- Yellow hi-hiz and 3M™ Scotchlite™ retro-reflective stripes to further enhance visibility
- Tough goatskin leather palms provide excellent abrasion resistance

Part Number:

S • 620214S L • 620214L 2XL • 620214XL2
M • 620214M XL • 620214XL 3XL • 620214XL3

Endura®

- Yellow hi-hiz and 3M™ Scotchlite™ retro-reflective stripes to further enhance visibility
- Lined with Thinsulate™ for winter protection in temperatures down to -30C/-22F

Part Number:

S • 620215S L • 620215L 2XL • 620215XL2
M • 620215M XL • 620215XL

Endura®

- Cold-rated for protection in temperatures down to -35C/-31F
- Durable cowgrain leather, ideal for outdoor work
- Lining provides cushiony layer of insulation to keep fingers warm

Part Number:

S • 620181S L • 620181L 2XL • 620181XL2
M • 620181M XL • 620181XL

Economy Grade Split Cowhide

- Cotton lined palm for extra comfort
- Denim back provides breathability and flexibility
- Gunn cut patter delivers durability, wear and comfort

Part Numbers:

L • 1675330 XL • 1675340

Hand protection

LEATHER PALM

Puff Daddy

- Heavy sherpa lining keeps hands warm in cold conditions
- Smooth full-grain cowhide leather with breathable cotton drill back

Part Numbers:

L • 620126L
XL • 620126XL

Sno Stoppers

- Heavy sherpa lining keeps hands warm in cold conditions
- Durable split cowhide leather with breathable cotton drill back

Part Numbers:

L • 620127L
XL • 620127XL

Big Dawg

- 3M Thinsulate™ EC100 Lining for warmth in cold conditions
- Smooth full-grain cowhide leather with breathable cotton drill back

Part Numbers:

S • 620128S
M • 620128M
L • 620128L
XL • 620128XL
2XL • 620128XL2

Scape Goat

- Hard-wearing full-grain goatskin leather
- Driver style with ergonomic inset thumb
- Snug-fitting shirred elastic wrist

Part Numbers:

XS • 620119XS	L • 620119L
S • 620119S	XL • 620119XL
M • 620119M	2XL • 620119XL2

Scape Goat

- 3M Thinsulate™ C100 Lining for superior warmth in cold conditions
- Hard-wearing full-grain goatskin leather

Part Numbers:

M • 620121M	XL • 620121XL
L • 620121L	2XL • 620121XL2

Van Goat

- Cutshield™ P-aramid/steel/polyester liner
- Dryhide™ water and oil resistant full-grain goatskin
- Driver style with ergonomic inset thumb

Part Numbers:

XS • 620120XS	L • 620120L
S • 620120S	XL • 620120XL
M • 620120M	2XL • 620120XL2

Endura®

- Winter driver gloves made from tough cowgrain leather
- Resists abrasions, repels water and will form to hands over time
- Full fleece lining provides fingers with warmth in winter conditions

Part Number:

S • 620208S	L • 620208L
M • 620208M	XL • 620208XL

Endura®

- Grain cowhide protects against abrasion while repelling water and conforming to hands over time to ensure comfort
- Hard-wearing driver gloves for durability and dexterity

Part Number:

XS • 620207XS	XL • 620207XL
S • 620207S	2XL • 620207XL2
M • 620207M	3XL • 620207XL3
L • 620207L	2XL • 620120XL2

Endura®

- Cowgrain leather palms offers natural abrasion and puncture resistance
- Split cowgrain leather back of hand for added flexibility

Part Numbers:

S • 620217S	XL • 620217XL
M • 620217M	2XL • 620217XL2
L • 620217L	

Hand protection

IMPACT RESISTANT

TenActiv™

- Impact-resistant back-of-hand
- Yarn feel cool against the skin for all day comfort
- Foam nitrile palm coating provides grip for handling lightly oiled parts

Part Numbers:

XS • 620186XS
S • 620186S
M • 620186M
L • 620186L
XL • 620186XL
2XL • 6201862XL

Scape Goat TPR

- Hard-wearing full-grain goatskin leather
- Heavy duty rubber on back, fingers and wrist provides impact protection

Part Numbers:

XS • 620124XS
S • 620124S
M • 620124M
L • 620124L
XL • 620124XL
2XL • 620124XL2

Van Goat

- ANSI cut level A7 with flame and impact resistance on back
- 3M Thinsulate™ C100 Lining for superior warmth in cold conditions
- Dryhide™ water and oil resistant full-grain goatskin

Part Numbers:

XS • 620125XS
S • 620125S
M • 620125M
L • 620125L
XL • 620125XL
2XL • 620125XL

IMPACT RESISTANT

Endura®

- Impact-resistant back-of-hand
- Treated with Oilbloc™ for oil and water resistance
- High tensile strength goatskin and DuPont™ Kevlar® composite filament fiber lining

Part Numbers:

XS • 620182XS	L • 620182L	3XL • 620182XL3
S • 620182S	XL • 620182XL	
M • 620182M	2XL • 620182XL2	

Endura®

- Impact-resistant back-of-hand protection
- Leather is treated with Oilbloc™ for oil and water resistance
- Hi-viz gauntlet cuffs for added wrist safety and visibility

Part Numbers:

XS • 620184XS	L • 620184L	2XL • 620184XL2

Hand protection

WELDING

Endura®

- Goatskin is durable and tough while maintaining the highest tensile strength
- Excellent choice in TIG welding gloves when flexibility is a priority

Part Numbers:

S • 620218S
M • 620218M
L • 620218L
XL • 620218XL
2XL • 620218XL2

Endura®

- Sewing thread is made with Kevlar® fiber for added seam integrity
- Rugged gauntlet cuffs for full forearm protection against sparks, heat and abrasion

Part Number:

L • 620219L

Fire Brand

- Split cowhide leather stitched with Kevlar® thread offers excellent heat resistance
- Cotton fleece lining and gunn cut design

Part Number:

L • 620113L

Welders and employees working where there's a high heat hazard may need heavy-duty gloves specifically designed for them. Available in economy and premium grade, our welding gloves are made of leather and some are stitched with Kevlar® for durability and heat resistance.

WELDING

Fabulous Fabricator

- Full grain cowhide palm and split cowhide back
- Cotton fleece lined palm offers added protection in heat applications
- Classic gunn cut and gauntlet cuff with leather gore

Part Numbers:

S • 620114S L • 620114L
M • 620114M XL • 620114XL

Fabulous Fabricator

- Full grain cowhide palm and split cowhide back
- Cotton fleece lined palm offers added protection in heat applications
- Classic gunn cut and gauntlet cuff with leather gore
- Made for a woman's hand

Part Number:

S • 620118S

Thrasher

- Split cowhide leather stitched with Kevlar® thread provides heat protection
- Cutshield™ P-aramid, steel and polyester liner for superior protections

Part Numbers:

S • 620116S L • 620116L 2XL • 620116XL2
M • 620116M XL • 620116XL

Fired Up

- Split cowhide leather stitched with Kevlar for strength and durability
- Cutshield™ P-aramid, steel and polyester liner for superior protections
- Made for a woman's hand

Part Numbers:

S • 620117S M • 620117M

Hand protection

Mechanics-style gloves help protect hands from dirt, grime, scrapes and blisters. They have good dexterity and tactility, and are often used in a variety of industries, including general maintenance, repair operations, material handling and carpentry.

MECHANICS

Clutch Gear®

- ANSI cut level A5
- A DuPont™ Kevlar® / composite filament fiber lining
- Goat-grain palms provide amazing abrasion resistance

Part Number:
XS • 620220XS XL • 620220XL
S • 620220S 2XL • 620220XL2
M • 620220M 3XL • 620220XL3

Hand protection

Chemicals are present in every business and it's important that you select the right gloves based on your needs. Our chemical-resistant gloves help prevent corrosive agents from touching the skin and possibly causing burns and other health hazards.

CHEMICAL RESISTANT

Chemstop™

- 12mil thick nitrile provides resistance to oils, fuels and certain organic solvents
- Embossed finish for a strong grip and 12" length

Part Numbers:
S • 620198S
M • 620198M
L • 620198L
XL • 620198XL
2XL • 620198XL2

Chemstop™

- 15mil thick to balance between protection and dexterity
- Embossed finish for strong grip and 12" length with flock lining
- Resistant to oil, fuel and solvents (methanol, n-heptane)

Part Numbers:
S • 620199S
M • 620199M
L • 620199L
XL • 620199XL
2XL • 620199XL2

Chemstop™

- Resistant to wide range of chemicals including acids, caustics, oils and alcohols
- Heat stability up to 93°C (200°F)
- Flock lined neoprene, 12" long and 30mil thickness
- Time to pain is 9.75 seconds at 100°C/212°F

Part Numbers:
S • 620200S
M • 620200M
L • 620200L
XL • 620200XL
2XL • 620200XL2

CHEMICAL RESISTANT

Chemstop™

- Heavyweight 30mil thick and 12" long
- Latex with neoprene overlay on palm area
- Chemical-resistant and CFIA-compliant for safe food handling

Part Numbers:
S • 620201S L • 620201L
M • 620201M XL • 620201XL

Chemstop™

- 18mil thick, 12" long latex gloves with cotton flock lining
- Embossed pattern provides a strong wet/dry grip
- Solvent resistant (methanol)

Part Numbers:
S • 620202S L • 620202L
M • 620202M XL • 620202XL

Chemstop™

- Double-dipped PVC coating
- Textured palm finish for sturdy non-slip grip
- Absorbent fleece jersey liner for comfort

Part Numbers:
XL • 620205XL

North Sea™

- Fully winter-fleece lined for protection in temperatures down to -15°C/5°F
- Sand-patch grip channels liquids away for secure grip in wet-oily conditions

Part Numbers:
S • 620204S XL • 620204XL
M • 620204M 2XL • 620204XL2
L • 620204L

North Sea™

- Fully winter-fleece lined for protection in temperatures down to -15°C/5°F
- Formulated nitrile stays ultra-soft and flexible
- 11" gauntlet with cotton jersey support to absorb sweat

Part Numbers:
S • 620203S XL • 620203XL
M • 620203M 2XL • 620203XL2
L • 620203L

North Sea™

- Resists chemicals and oils
- Keeps hands warm in temperatures down to -15°C/5°F
- Polyurethane coating for flexibility and textured palms for stronger grip

Part Numbers:
M • 620206M XL • 620206XL
L • 620206L 2XL • 620206XL2

Hand protection

Rubber insulated electrical gloves can help provide protection against shock hazards when employees are working on energized equipment. Leather protectors are worn over them to help prevent punctures.

ELECTRICAL

Endura

- DuPont™ Kevlar®/composite filament fiber liner
- Arc Thermal Performance Value (ATPV) of 36 cal/cm²
- Arc Flash testing level 3
- Goatskin is durable and touch while maintaining dexterity

Part Numbers:

- S • 620235S
- M • 620235M
- L • 620235L
- XL • 620235XL
- 2XL • 620235XL2
- 3XL • 620235XL3
- 4XL • 620235XL4

Dexterity®

- 18-gauge, Arc flash testing level 3
- Arc Thermal Performance Value (ATPV) of 25 cal/cm²
- Anti-static yarn provides resistance to electric currents
- Neoprene palm coating and DuPont™ Kevlar® fiber are naturally flame resistant

Part Numbers:

- 2XS • 620236XS2
- XS • 620236XS
- S • 620236S
- M • 620236M
- L • 620236L

- 2XL • 620236XL2

ELECTRICAL

Dexterity®

- 13-gauge knit shell increases dexterity and hand movement
- Blend of DuPont™ Kevlar® fiber and flame-resistant fibers
- Arc flash testing level 2
- Arc Thermal Performance Value (ATPV) of 11 cal/cm²
- Neoprene palm coating provides a strong, steady grip in dry and wet conditions

Part Numbers:

- 2XS • 620237XS2
- XS • 620237XS
- S • 620237S
- M • 620237M
- L • 620237L
- XL • 620237XL
- 2XL • 620237XL2

Contender™

- Arc flash testing level 2
- Arc Thermal Performance Value (ATPV) of 8 cal/cm²
- DuPont™ Kevlar® fiber is inherently flame resistant, provides cut protection, and resists burning and melting
- Tapered 18" sleeve

Part Numbers:

- M • 620238M
- L • 620238L

Hand protection

NIRTIILE GLOVES

Grease Monkey Nitrile, 8 mil

- 8 mil, powder free with abrasion and puncture resistance
- 11" rolled cuff for higher wrist protection

Part Numbers:
S • 620161S **L** • 620161L **XL** • 620161XL
M • 620161M

GloveWorks® Heavy Duty Orange Nitrile, 8 mil

- Heavy Duty 8 mil. Powder Free Nitrile, Industrial Grade
- Raised Diamond Texture. Perfect for working with tools and machinery, wet or dry
- Greater resistance to rips, tears and punctures
- 100/BOX

Part Numbers:
S • 604987ZC **L** • 604989ZC **XXL** • 604991ZC
M • 604988ZC **XL** • 604990ZC

Green Monkey Nitrile, 6 mil

- 6 mil heavyweight, powder free
- Textured pattern provides a sure-grip in oily and wet applications
- Landfill biodegradable

Part Numbers:
S • 620162S **L** • 620162L **2XL** • 620162XL2
M • 620162M **XL** • 620162XL

Glove Plus® Black Nitrile, 5 mil

- 5 mil. Powder Free Nitrile, Industrial Grade
- Micro-roughened surface and textured fingertips offer dependable grip for working with tools
- CFIA approved for food handling
- 100/BOX

Part Numbers:
S • 604974ZC **L** • 604976ZC **XXL** • 604978ZC
M • 604975ZC **XL** • 604977ZC

NIRTIILE GLOVES

Grease Monkey Nitrile, 5 mil

- Powder free
- Works well in oil slick applications
- 9.5" rolled cuff

Part Numbers:
S • 620160S
M • 620160M
L • 620160L
XL • 620160XL
2XL • 620160XL2

Green Monkey Nitrile, 4 mil

- Powder free, resistant to punctures and tears
- Lightly textured pattern provides sure-grip in oily and wet applications
- Landfill biodegradable

Part Numbers:
S • 620163S
M • 620163M
L • 620163L
XL • 620163XL
2XL • 620163XL2

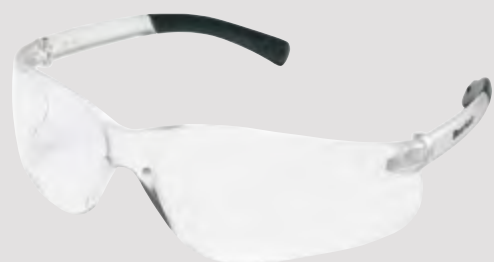

The Safety Director® Blue Nitrile, 4 mil

- Industrial, latex free and powder free
- Textured fingertip and beaded cuff
- Non-sterile, single use
- 100 gloves per box

Part Numbers:
S • 604983ZC
M • 604984ZC

XL • 604986ZC

Eye protection

FRAMELESS

MCR BearKat®

- Lightweight frame for extended wear with padded spatula temples for added comfort
- Universal nose bridge accommodates a variety of wearers

Part Numbers:
Clear • 589169 **IO Mirror** • 579535 **Amber** • 571950
Grey • 589170 **Light Blue** • 571949

MCR DL1

- Full length non-slip, soft temple material
- Wrap around lens design provides greater side protection
- Exclusive Duramass® scratch resistant coating
- Universal nose bridge accommodates a variety of wearers

Part Numbers:
Clear • S90083 **Grey** • S90082

FULL FRAME AND SEMI-FRAMELESS

MCR Swagger® Anti-Fog

- Non-Slip co-injected soft temple material
- Rugged polycarbonate lens filters 99.9% of harmful UV rays
- Exclusive Duramass® scratch resistant coating

Part Numbers:
Clear • 572805 **Grey** • 571490

MCR Dominator™ Max6™ Anti-Fog

- Italian fashion, sport focused design
- Max6™ hydrophilic anti-fog coating for six times greater anti-fog performance over generic anti-fog safety glasses
- Co-injected wire core independently adjustable nose pads and TPR temples

Part Numbers:
Clear • 612910 **Grey** • 616329

LENS WIPES

The Safety Director® Lens Wipes

- Individually wrapped anti-static and anti-fog wipes
- Great for use on glass, plastic and polycarbonate goggles and lenses

Part Number: 100 Count • 610250

OTG AND VISITOR SPECS

MCR Law® OTG

- Oversized frame and lens to fit over prescription glasses
- Exclusive Duramass® scratch resistant coating

Part Numbers:
Clear • 1415070 **Grey** • 1415080

MCR Yukon® Visitor Specs

- Dielectric, no metal parts
- Single lens design with integral side shields for greater orbital seal

Part Number: CR9800B

GOGGLES

Indirect Vent Goggles

- PVC body permits a comfortable fit over prescription eyewear
- Rugged polycarbonate lens filters 99.9% of harmful UV rays
- Exclusive Duramass® scratch resistant coating

Part Number: 1401170

MCR 23 Series Goggles

- Indirect vent with updated stylish look
- Comfortable seal around the face
- Exclusive Duramass® scratch resistant coating

Part Number: 71123

Hearing protection

Cintas offers a wide selection of industry-leading hearing protection products to choose from — help you keep your employees safe and productive.

DISPOSABLE EARPLUGS

SPARKPLUG STATION

- NRR: 33 dB
- Easy access, high visibility dispenser increases awareness for your hearing conservation program
- Click mechanism ensures earplugs drop right into the palm of your hand
- Earplugs fit snugly to gently seal the ear canal

Part Numbers:
 250 Pairs • 293220
 500 Pairs • 293230

Honeywell Howard Leight™ Max Lite®

- NRR: 30 dB
- Comfortable for virtually all ear canals and in all-day use environments
- Low pressure foam protects for many industrial environments

Part Numbers:
 Uncorded (200 pairs) • 292120
 Corded (100 pairs) • 292100

Honeywell Howard Leight™ Max®

- NRR: 33 dB
- Offers highest NRR rating available in a pre-shaped foam earplug
- Smooth, soil-resistant outer skin for optimum user comfort and safety

Part Numbers:
 Uncorded (200 pairs) • 292020
 Corded (100 pairs) • 292000
 Dispenser pack (500 pairs) • 292040

Honeywell Howard Leight™ Laser Lite®

- NRR: 32 dB
- Low pressure, foam, multi-colored, comfortable, great for extended wear
- Molded, smooth outer surface for outstanding hygiene and comfort

Part Numbers:
 Uncorded (200 pairs) • 8301593
 Corded (100 pairs) • 8301594
 Dispenser pack (500 pairs) • 600531

Honeywell Howard Leight™ Laser Trak® Metal Detectable

- NRR: 33 dB
- Comfortable styling, high attenuation, highly-detectable metal, easy disposability
- Bright orange and blue provides extra visibility in food processing environments
- Corded for extra safety and convenience

Part Number:
 Metal Detectable Corded (100 pairs) • 292250

3M™ E-A-R Classic®

- NRR: 29 dB
- Bright yellow, cylindrical polymer foam can be easily rolled and inserted to fit almost any ear canal
- Also available in 33dB metal detectable

Part Numbers:
 Uncorded (200 pairs) • 291220
 Corded (100 pairs) • 291210

REUSABLE EARPLUGS

3M™ E-A-R™ UltraFit™

- NRR: 25 dB
- Soft polymer is washable and reusable, reducing both waste and costs
- Pre-molded, triple flange earplugs fit comfortably in a wide range of ear sizes

Part Number:
 Corded (100 pairs) • 291330

Moldex® Rockets Reusable

- NRR: 27 dB
- PVC-free
- Easy grip, comfortable design

Part Numbers:
 Corded (50 pairs) • 293600

Moldex® Glide®

- NRR: 30 dB
- Unique multi-curved stem rotates for a custom fit
- Large handle on curved stem for easy insertion and removal
- No roll down design is perfect for workers with dirty hands or wearing gloves

Part Numbers:
 Corded (100 pairs) • 567094
 Uncorded (100 pairs) • 567093

BANDED EARPLUGS AND EARMUFFS

Honeywell Howard Leight® QB2®

- NRR 25 dB
- Lightweight, comfortable and reusable
- Sold by the pair or refill pod packs of 50

Part Numbers:
 QB2 Band with pods • 292500
 Refill Pods (50 pairs of pods) • 292510

3M™ Peltor™ Optime™ 105

- NRR: 30 dB
- Great for high-noise exposure situations
- "Double-shell" cup design helps improve attenuation across the entire range of frequencies

Part Number: 76187

Respiratory protection

Designed to be discarded after use, disposable masks and respirators provide short-term protection from airborne particulates. N95 respirators are also designed to have a filter efficiency level of 95% or greater, while general purpose masks filter out dust and mild irritants.

N95 RESPIRATORS

Disposable N95 Particulate Respirator

- Comfortable, economic, long-lasting protection
- NIOSH approved for dusts and mists
- Maximize workers' comfort with these disposable N95 Respirators

Part Numbers:

Box of 10 with valve • 3413Z
Box of 20 without valve • 3420Z

3M™ 8511 N95 Particulate Respirator 10/BOX

- Features 3M Cool™ Flow Valve. Helps reduce heat build-up inside the respirator
- NIOSH approved. 95% filtration efficiency against certain non-oil based particles
- Adjustable M-Nose clip to help ensure a custom and secure seal

Part Number: 304200

3M™ 8210 N95 Particulate Respirator 20/BOX

- NIOSH approved 95% filtration efficiency against certain non-oil based particulate
- Advanced filter media for easier breathing
- Adjustable nose clip with soft nose foam

Part Number: 304120

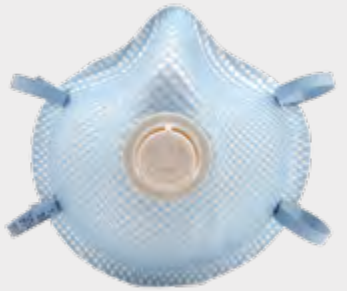

N95 RESPIRATORS

Moldex® 2200 N95 20/BOX

- NIOSH approved N95
- Molded nose bridge seals easily without a metal nose band
- Dura-Mesh® shell resists collapsing in heat and humidity

Part Number: 300200

Moldex® 2300 N95 with Exhalation Valve 10/BOX

- NIOSH approved N95
- Exhale valve reduces hot air buildup
- Dura-Mesh® shell resists collapsing in heat and humidity

Part Number: 300220

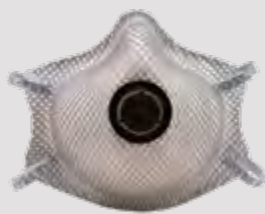

Moldex® 4200 N95 AirWave®

- Wave technology allows for easier breathing for cool comfort and all day protection
- NIOSH approved 95% filtration efficiency against certain non-oil based particulate

• Ideal where unvalved respirators are preferred

• Lower cost option with long wear

Part Number: 75328

Moldex 2400 N95 Plus Nuisance OV/Ozone Relief

- Added carbon layer helps filter out nuisance levels of ozone and organic vapors
- Can be used against most welding fumes (free of oil)

• Dura-Mesh shell resists collapsing in heat and humidity

Part Number: 300280

Moldex 4600 N95 Airwave® with SmartStrap 10/BOX

- Cloth SmartStrap® is adjustable, metal free and hangable
- Exclusive easy-breathing wave design
- Softspun® lining for increased comfort

Part Number: 579536

Respiratory protection

Reusable respirators work by removing vapors, gases and particulates from the air through replaceable cartridges, filters or a combination of both.

HALF MASK

Honeywell North RU8800 Half Mask

- Triple Flange fits a wide variety of facial types and provides the ultimate in comfort and superior fit
- Silicone facepiece is soft and flexible to keep workers comfortable for longer durations
- Wrap around design contours to the user's face, making it a good solution for a wide variety of facial types and sizes

Part Numbers:
S • 605415ZC M/L • 605416ZC

Honeywell North 5500 Series Half Mask

- Wide contoured sealing area for excellent fit
- Low "dead air" space limits re-breathing of exhaled air for increased comfort and productivity
- Latex free straps stretch and move for flexibility

Part Numbers:
S • 561272 M • 8307883 L • 8303745

FULL FACE MASK

Honeywell North RU6500 Series Full Face Mask

- Silicone seal provides excellent facepiece seal creating a barrier against contaminants
- Polycarbonate lens with 200° field of vision
- Silicone nose cup is soft and comfortable for all day wear

Part Numbers:
S • 596883 M • 596884 L • 596885

Honeywell North 5400 Series Full Face Mask

- Polycarbonate lens with wide field of vision
- Thermoplastic elastic nose cup
- Textured material reduces slipping for a secure fit
- Best value you can find in a full facepiece

Part Numbers:
S • 8312314 M/L • 8303744

Cartridges

Cartridges for North 5500, 5400, RU8800 or RU6500 masks.

RESPIRATOR CARTRIDGES

N95 Particulate Filter 10/PK
Part Number: 8307215

P100 Particulate Filter 2/PK
Part Number: 8301324

Organic Vapor Cartridge 2/PK
Part Number: 8303759

Organic Vapor/Acid Gas 2/PK
Part Number: 3788Z

Multi Purpose Cartridge 2/PK
Part Number: 570358

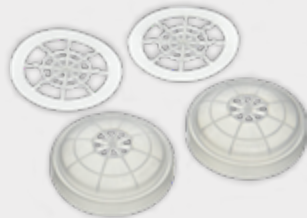

Organic Vapor P100 2/PK
Part Number: 566375

Organic Vapor/Acid Gas P100 2/PK

Multi Purpose P100 2/PK
Part Number: 587168

Filter Base and Retainer 2/PK
Part Numbers:
Filter Base • 3458Z
Retainer • 581188

High visibility

Polyester Mesh Vest

- 100% polyester safety vest. Comes with four front pockets, 4" (10.2 cm) reflective tape and five-point tear away
- Meets CSA Z96-15 Class 2 Level 2 standards
- Lime colour

Part Numbers:
S/M • 3153001ZC
L/XL • 3153002ZC
2XL/3XL • 3153003ZC
4XL/5XL • 3153004ZC

Polyester Safety Vest w/Zipper

- 100% polyester safety vest. Comes with two bottom pockets, breast pocket, front zipper and 4" (10.2 cm) 3M reflective tape
- Meets CSA Z96-15 Class 2 Level 2 standards

Part Numbers:
● Lime S/M • 3150001ZC L/XL • 3150002ZC 2XL/3XL • 3150003ZC
● Orange S/M • 3151001ZC L/XL • 3151002ZC 2XL/3XL • 3151003ZC

100% Poly Surveyor/Supervisor Vest

- 100% polyester surveyor/supervisor safety vest. Comes with seven front pockets, four inside pockets, radio pocket and ruler pocket on back
- Includes two microphone clips, D-ring slot and 4" (10.2 cm) 3M reflective tape
- Meets CSA Z96-15 Class 2 Level 2 standards

Part Numbers:
● Lime L • 3159003ZC XL • 3159004ZC
● Orange M • 3160002ZC L • 3160003ZC XL • 3160004ZC
● Red M • 3161002ZC L • 3161003ZC XL • 3161004ZC

Safety Vest Mesh

- Comes with four front pockets, five-point tear away, D-ring slot and 4" (10.2 cm) 3M reflective tape
- Meets CSA Z96-15 Class 2 Level 2 standards
- One size

Part Numbers:
● Lime • 3164ZC
● Orange • 3165ZC

Polyester Safety Vest

- Comes with four front pockets and clear ID pocket, five-point tear away, D-ring slot and 4" (10.2 cm) 3M reflective tape
- Meets CSA Z96-15 Class 2, Level 2 standards
- One size

Part Numbers:
● Lime • 3166ZC
● Orange • 3167ZC

Poly/Cotton Surveyor Vest

- Eight front pockets, four inside pockets, radio pocket, double back pouch and 4" (10.2 cm) 3M reflective tape
- Meets CSA Z96-15 standards

Part Number:
● Lime L • 3156003ZC XL • 3156004ZC
● Red L • 3158003ZC XL • 3158004ZC

High visibility

Lime Green 300 Denier Poly Rain Jacket

- Comes with two bottom pockets, six-inch zipper on each side, hide away hood and 4" (10.2 cm) 3M reflective tape
- Waterproof and breathable. Meets CSA Z96-15 Class 2 Level 2 standards

Part Numbers:

M • 3163002ZC
L • 3163003ZC
XL • 3163004ZC
2XL • 3163005ZC

High Visibility Mesh T-Shirt

- Comes with breast pocket and 4" (10.2 cm) 3M reflective tape
- Meets CSA Z96-15 Class 2 Level 2 standards

Part Numbers:

M • 6243002ZC
L • 6243003ZC
XL • 6243004ZC

Lime Green 300 Denier Poly Rain Pant

- Comes with elastic waist and 4" (10.2 cm) 3M reflective tape
- Waterproof and breathable Meets CSA Z96-15 Class 2 Level 2 standards

Part Numbers:

M • 3162002ZC
L • 3162003ZC
XL • 3162004ZC
2XL • 3162005ZC

Safety Sash Orange

- High visibility safety sash with 2" (5.1 cm) reflective tape. Two strips on front and X on the back
- One size fits all
- Does not satisfy visibility standards of CSA Z96.15

Part Number:

Orange • BKBK04ZC

Traffic Safety Sash Lime

- 2 ¼" (5.7 cm) 3M reflective tape
- Tear-away at front and sides
- Size: Universal
- Does not satisfy CSA Z96-15 standards

Part Number:

BK154LMZC

Disposable wear

TYVEK AND APRONS

Tyvek Coverall

- Tyvek® fabric uses an exclusive non-woven structure to produce a breathable fabric without sacrificing barrier integrity and durability
- Provides an excellent barrier to many dry particulates
- Made of 100% polyolefin. Use in food processing, paint spray, dust and dirt, dry chemicals, or general purpose applications
- 25/case

Part Numbers:

W/Open Wrists and Ankles:

L • 322020 XL • 32203 XXL • 8302343

W/Elastic Wrists and Ankles:

L • 3968002 XL • 75673 XXL • 8302352

W/Attached Hood, Elastic Wrists and Ankles:

L • 32302 XL • 32303 XXL • 32304 XXXL • 32305

Neoprene Apron

- Heavy duty 35" x 45" (88.9 x 114.3 cm) yellow apron features an exterior coating of neoprene for optimal protection from the harsh conditions commonly found in food processing, dairies and laboratories
- Stitch construction
- Metal grommets at reinforced corners of bib waist

Part Number: 3047Z

PVC/Polyester Apron

- Durable yet lightweight fabric helps prevent worker fatigue
- This 35" x 47" (88.9 x 119.4 cm) yellow apron is double coated for enhanced wear-and-tear resistance

Part Number: 8310648

Vinyl Apron

- One piece construction is economical and features integral head opening and ties
- 5-6 mil Die-Cut Medium Duty Apron

Part Number: 360460

NON WOVEN APPAREL

Nylon Hairnets

- 1000 per case, White or Brown
- Lightweight for breathability, while maintaining snug, full coverage

Part Numbers:

21" (53.3 cm) White • 970521W
21" (53.3 cm) Brown • 970521BR
24" (61 cm) White • 970524W
24" (61 cm) Brown • 970524BR
28" (71.1 cm) White • 970528W

Polypropylene Bouffant Caps

- 1000 per case, Blue or White
- Lightweight for breathability, while maintaining snug, full coverage

Part Numbers:

21" (53.3 cm) Blue • 970321B
21" (53.3 cm) White • 970321W
24" (61 cm) Blue • 970324B
24" (61 cm) White • 970324W

Polypropylene Beard Covers

- 1000 per case, White
- Light weight breathable fabric that provides economical protection

Part Number: 9701SSW

Polypropylene Shoe Covers

- Anti-skid
- 300 per case, White or Blue
- Lightweight breathable fabric that provides economical protection

Part Numbers:

Large White • 9707LW
Large Blue • 9707LB
XL White • 9707XLW
XL Blue • 9707XLB

Water Resistant Polyethylene Shoe Covers

- Water resistant and non-particulating with an embossed pattern for extra traction
- 300 per case, Blue

Part Numbers:

Large Blue • 9706LB
XL Blue • 9706XLB

Head protection

HARD HATS

Dynamic Safety "Whistler" Hard Hat

- Certified CSA Type 1 Class E and ANSI Type I Class E
- HDPE shell with accessory slots and rain trough
- 4 Point nylon "Sure-Lock" ratchet suspension
- Available in multiple colors

Part Number:
White • 6601WHT

Dynamic Safety "Kilimanjaro" Full Brim Hard Hat

- Certified CSA Type 1 Class E and ANSI Type I Class E
- HDPE shell with accessory slots
- 6 Point nylon "Sure-Lock" ratchet suspension
- Available in multiple colors

Part Number:
White • 6604WHT

WINTER LINERS

Winter Liner

- Dielectric outer shell

Part Number: 616838

Winter Liner with Face Warmer

- 100% fire retardant cotton outer shell
- Face warmer

Part Number: 616839

BUMP CAPS AND ACCESSORIES

HardCap A1+™ Bump Cap

- Not a safety helmet
- 2.75" (7 cm) length brim
- Low profile cap style bump cap with HDPE liner
- Ventilation holes for coolness and comfort

Part Numbers:
Navy/Navy • 8308846
Black/Hi-Vis Orange • 72525

Dynamic Safety Replacement Suspension

- 4 Point nylon "Sure-Lock" ratchet suspension
- Fits Whistler or Kilimanjaro hard hats

Part Number: 6601SUSP

REPLACEMENT COMFORT BANDS

Replacement Comfort Bands

- Felt comfort band
- Fits most hard hats

Part Number:
Pack of 10 • 616836

Sweat Bands

- Terry cloth sweat bands with velcro closure
- Fits most hard hats

Part Number:
Pack of 10 • 616837

Signage

Having safety information clearly marked and displayed helps alert workers to hazards or provides important information in an emergency. Our high-quality signs are easy to mount and support your communication needs.

SDS INFORMATION

Single Binder SDS Centre

Cleanup and disposal

Infection Control Cleanup Kit

- Fast, efficient method for the absorption and disposal of potentially harmful blood and bodily fluids

Part Numbers:
Kit • 6625ZC
Refill Pack • 607923ZC

Biohazard Bag

- 6" x 9" (15.2 x 22.9 cm)
- Sealable bag
- Sold individually

Part Number: 63090ZC

Infectious Waste Bags

- 24" x 24" (61 x 61 cm)
- 50 pack

Part Number: 63590ZC

Sharps Containers

- Rotating cylinder top allows hands-free disposal
- Built-in handles for easy transport

Part Numbers:
1 quart (0.9 L) • 250010
5 quart (4.8 L) • 3095Z
Wall bracket for 5 quart container • 3098Z
Extra key for wall bracket • 3099Z

Electrolytes

Sqwincher® Qwik Stik®

- Single-serving Qwik Stiks are powdered electrolytes you add to water
- Fast, effective method of hydration with no sugar and no calories
- 50 per pack, sugar-free

Part Numbers:
Mixed Berry • SQ101ZC
Strawberry Lemonade • SQ104ZC
Fruit Punch • SQ101ZC
Orange • SQ100ZC

Sqwincher® Squeeze®

- Tasty, frozen popsicle rehydrates and cools your core temperature
- Assortment of five flavors
- 10 popsicles per bag

Part Number: 572419

WaterBreak® and Hydration

You have plenty of work to do, and we know how much you care about your team. Whether your employees are at risk of experiencing heat stress or just trying to stay properly hydrated on the job, we have the flexible solutions you need. Choose from several electrolyte options from leading brands, or talk to your rep about the WaterBreak®, a cleaner, more affordable water system and service.

HYDRATION PRODUCTS INCLUDE:

93 WaterBreak®

Being **3-4%** dehydrated can **LOWER YOUR WORK PERFORMANCE** by approximately **25-50%**.

A mere **19%** of Canadians always **MAKE AN EFFORT TO STAY HYDRATED.**

Workplace Hydration

STATISTICS

- Being 3-4% dehydrated can lower your work performance by approximately 25-50%.
- A mere 19% of Canadians always make an effort to stay hydrated.

USING LARGE WATER BOTTLES?

Benefits of switching to WaterBreak®:

- Avoid lifting heavy bottles
- No need to worry about storage
- No unsightly bottles lying around
- Flat monthly billing
- Never run out of water
- No more dirty dispensers or drip trays

ALREADY HAVE A WATER COOLER?

Benefits of switching to WaterBreak®:

- No dirty drip tray buildup
- Regular filter changes
- Affordable price and no filter change fees
- Industry leading unit
- Flat monthly billing
- Consistently clean and professional look

BENEFITS OF SERVICE

- Internal drain bottle or drip tray emptied
- Filter changed annually and as needed
- Unlimited water at your fingertips
- Each unique barcode scanned to maintain service record

*THIS SURVEY WAS CONDUCTED ONLINE WITHIN THE UNITED STATES BY HARRIS POLL ON BEHALF OF CINTAS FROM JULY 28-AUGUST 1, 2017 AMONG 1,081 U.S. ADULTS AGES 18 AND OLDER WHO ARE EMPLOYED FULL TIME/PART TIME

WaterBreak®

The WaterBreak® Premium

- Closed water system for cleaner operation
- Hot, cold and room temperature water
- Hot water safety feature
- 2x cooling ability compared to leading units
- Self-draining drip tray (1½ gallon)
- Weight: 53 lbs, dimensions: 12.6" x 13.4" x 43.7"

Part Number: 700003

HandsFree Foot Pedal Attachment • 617363

The WaterBreak® Countertop

- Hot, cold and room temperature water
- Closed water system for cleaner operation
- Hot water safety feature
- Polymer cabinet won't rust or scratch countertop
- Less than 17" tall, fits under most kitchen cabinets
- Fits large coffee containers & sport bottles
- Weight: 30 lbs, dimensions: 13.3" x 14.5" x 16.9"

Part Number: 700003CT

BENEFITS OF FILTER AND DRAIN SYSTEM

- Reduces the occurrence of lead, chlorine and odor
- Improves the taste and appearance of drinking water
- Provides water that is virtually free of sediment, dirt and rust
- 1½ gallon bottle and hose captures excess fluid
- Unique drain bottle feature helps prevent build up and overflow in drip tray

Automated External Defibrillators (AEDs)

A prompt response can be the difference between life and death. Start by equipping your business with industry-leading AED technology and professional onsite training and service.

Cintas provides products and solutions to help you respond to an emergency and help prevent serious injuries or death.

AED PRODUCTS INCLUDE:

- 99 AED units
- 101 AED wall mounting
- 102 AED travel cases
- 103 AED electrodes and batteries
- 104 AED accessories

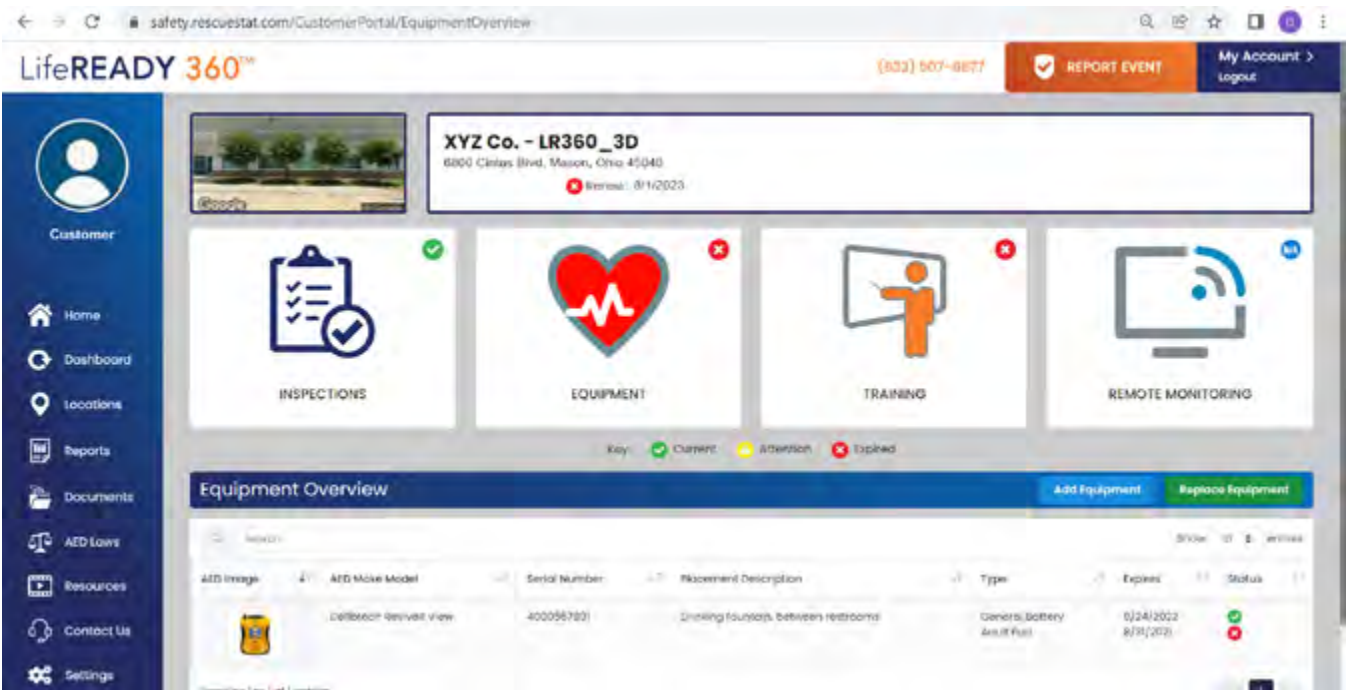

Up to **40,000** cardiac arrests
OCCUR EACH YEAR IN CANADA
according to the Heart and Stroke Foundation

Studies have shown that when AEDs are present,
SURVIVAL RATES ARE ALMOST
five times greater (24%)

LifeREADY 360™, Powered by RESCUESTAT

Be READY™ for sudden cardiac arrest

It takes a lot more than an AED to save a life. Proper planning, implementation, ongoing support and routine onsite service checks can be critical in helping ensure the AED works when you need it most.

PLANNING

You determine the type, location and number of AEDs needed for your business

IMPLEMENTATION

Your AEDs and accessories you select are professionally installed

SUPPORT

Pad and battery replacement

Software upgrades

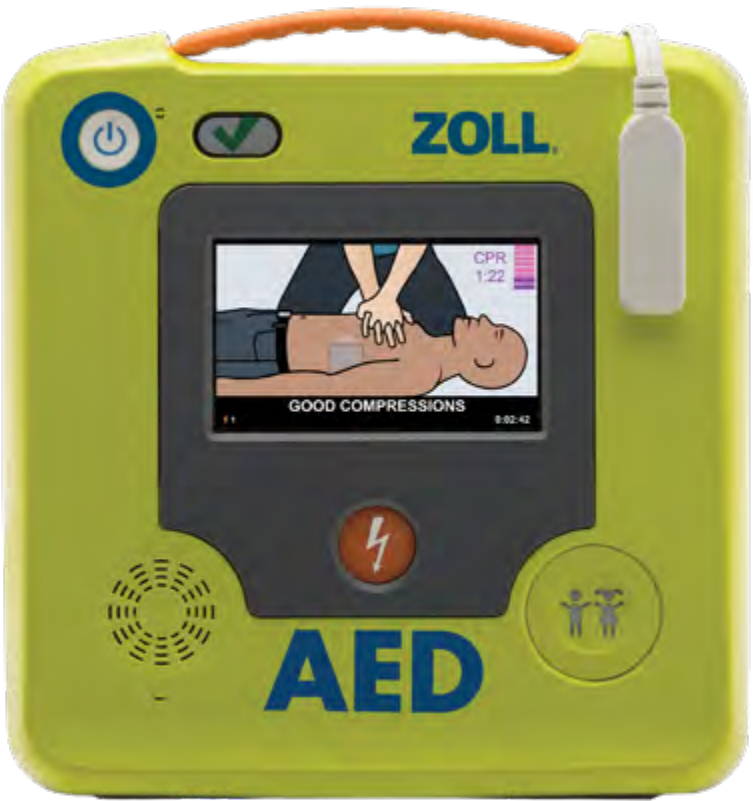

Ongoing LifeREADY 360™ support*

- Your subscription to LifeREADY 360™ includes a medical prescription along with the following:
- **Medical Direction or Physician Oversight** — by using the LifeREADY 360™ portal, your AED program and activity will be overseen by the Stat PADS team.
 - **AED Placement Reporting/EMS Registrations** — your AED program information will be registered with local and/or state EMS agencies (as may be required) in an effort to enhance and expedite emergency responder response times to a cardiac emergency.
 - **Tracking Software** — The LifeREADY 360™ portal provides visibility into ongoing maintenance and emergency readiness status of each AED — you can log your AED checks, expiration dates and even keep track of your certified first responders’ training.
 - **AED Program Design Guide** — LifeREADY 360™ provides a “design guide” to walk you through the process of developing an AED program for your organization/facility.

*DISCLAIMER: CUSTOMER MUST OBTAIN A PRESCRIPTION FOR THE AED DEVICE(S) AND THE AED DEVICE(S) MUST BE SUBJECT TO MEDICAL OVERSIGHT. CINTAS IS NOT A HEALTH-CARE PROVIDER AND DOES NOT ISSUE THE PRESCRIPTION, PROVIDE MEDICAL OVERSIGHT, OR PROVIDE OTHER RELATED HEALTH-CARE OR MEDICAL SERVICES. RATHER, WHEN EXECUTING A SERVICE AGREEMENT, CUSTOMER RECEIVES ACCESS TO A THIRD-PARTY, AT NOT ADDITIONAL COST TO CUSTOMER, WHO PROVIDES A PRESCRIPTION FOR THE AED DEVICE(S), PROVIDES MEDICAL OVERSIGHT YOU NEED IT MOST.

AED Units

The AED 3® by ZOLL®

- Easy to navigate large color LCD screen
- Simple to operate with clear one-touch buttons
- Real CPR Help® guides rescuers in delivering high-quality CPR consistent with current guidelines
- Enhanced bar gauge lets rescuers see when they are doing quality CPR

Part Numbers:
AED 3® (Semi-auto, English) • 606976ZCC

CPR Mask in Clamshell Case
• Includes one-way valve
• Bite block on red keyring CPR barrier helps keep patient's airway open
Part Numbers:
Red Keyring • 3078ZC
Pocket Mask • 63570ZC

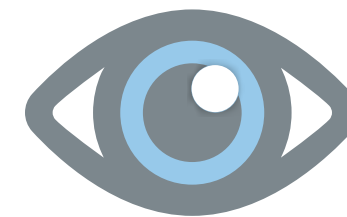

Emergency Eyewash and Shower Service

Without routine inspections, stations can often go unmaintained and can aggravate an injury during an emergency. Don't think twice about your eyewash stations being **READY™** to respond in an emergency — let your dedicated Cintas professional help you manage this with our Annual and Monthly Service inspections.

TOP PRODUCTS INCLUDE:

- 108 Emergency eyewash stations
- 112 Additional eyewash

According to the Canadian National Institute for the Blind, **over 700** Canadian workers sustain eye injuries resulting in **LOST TIME AND/OR TEMPORARY OR PERMANENT VISION LOSS EVERY DAY**

Results indicate that **88%** of units are **NOT COMPLIANT WITH ANSI Z358**

Did you know?

Safety Data Sheets are designed to provide employees and first responders with the proper protocols for handling certain substances. Reference Section 4 of any SDS for emergency procedures and to determine if you need an eyewash station.

Emergency Eyewash Stations

Eyewash stations can often go unused and unnoticed until disaster strikes. With routine eyewash service and maintenance, you don't have to worry about your stations being prepared to respond in an emergency. From gravity-fed to secondary stations, Cintas has the products you need to stay **Ready for the Workday®**.

When implementing an eyewash program, businesses might consider::

- Flush both eyes simultaneously
- Eyewash flush rate of 0.4 gallons per minute
- Flush for 15 minutes
- Be hands-free and offer valves with constant flow
- Activate in one second or less
- Be located within 10 seconds of hazard
- Be located within a clear path
- Includes a highly visible sign identifying the station

TYPES OF EYEWASH STATIONS

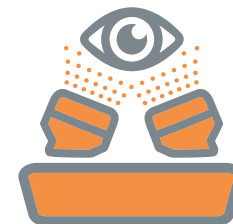

Self-contained units:

- 15 minute flow
- Often placed near forklift stations, machinery, tooling equipment

Supplemental units:

- One time use
- Commonly found in bottle form and in a variety of sizes

Plumbed units:

- Built directly into a building's water source
- Require weekly activation and annual inspection

The Safety Director® Emergency Eyewash

EYEWASH STATION

The Safety Director® Eyewash Station

- Activates in less than one second
- Hands-free flushing of both eyes at the same time
- Wall mountable, 12-gallon
- 19¾" x 22" x 18"

Part Number: 133441

EYEWASH DRAIN CART

The Safety Director® Eyewash Drain Cart

- Easy collection of used flushing fluid
- Dual wheels with solid axle for easy portability
- 31.75" x 14" x 14.5"

Part Number: 6184800

EYEWASH STAND

The Safety Director® Eyewash Stand

- Fits The Safety Director® Eyewash Station
- Sturdy, industrial grade
- Allows station placement in virtually any environment without wall mounting
- 57.5" x 24" x 17.5"

Part Number: 132246

BENEFITS OF SERVICE AGREEMENT

Routine service from our dedicated Cintas eyewash service professionals throughout North America can help you trust that you're READY™ to respond when there is an emergency.

- All equipment is provided
- Includes quarterly service
- Bar-code scanning
- Electronic service records
- Eyewash station cleaning and refilling
- Clear communication
- Consistent monthly invoicing

EYEWASH ACCESSORIES

Eyewash V-Sign

Part Number: NMVS7W

Additive Concentrate

- For self-contained emergency eyewash station
- Preserves from 18.9 to 75.6 L (5 to 20 US gal.) portable water
- Contains: Chlorhexidine Gluconate, Propylene Glycol, Purified Water
- 236 ml (8 fl. oz)

Part Number: 640001ZC

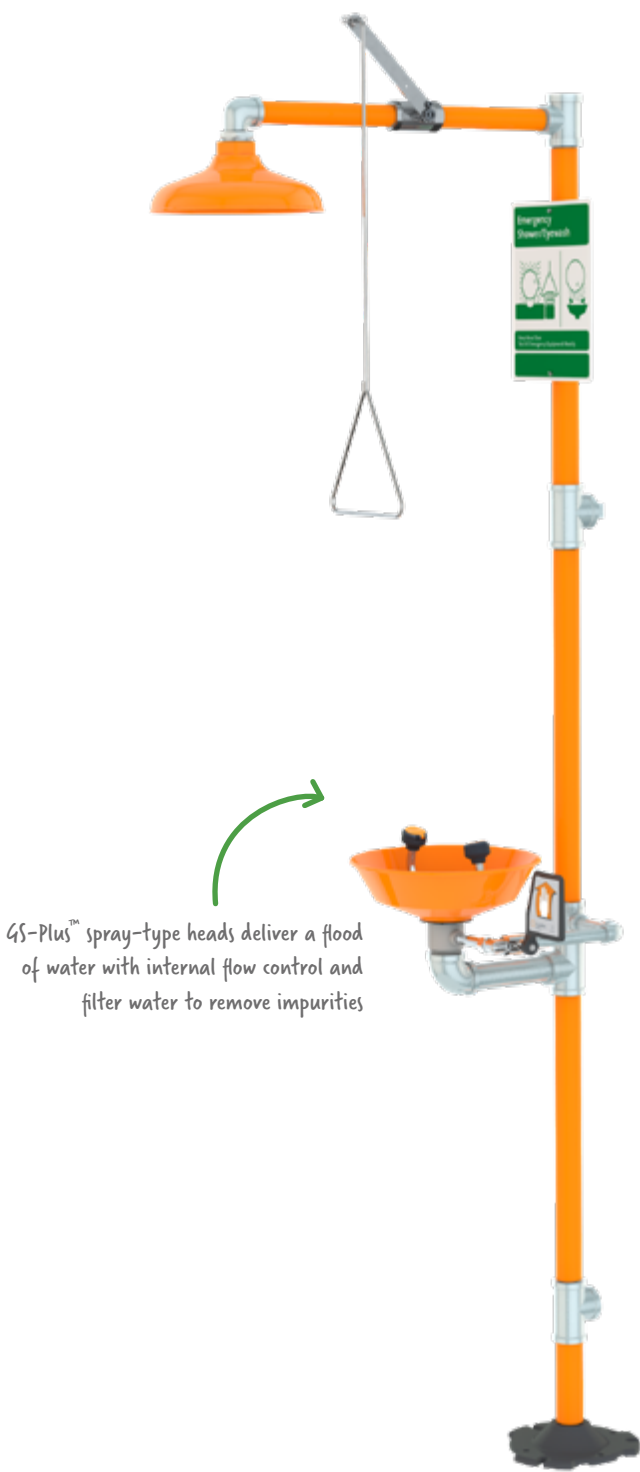

Eyewash Station Mat

- Protects floors from water hazard
- All-rubber construction for extreme durability
- Creates a defined area in front of the station to prevent station from being blocked

Part Number: 13216

Plumbed eyewash

Let your dedicated Cintas professional help you manage your emergency eyewash with our weekly, monthly, quarterly and annual service inspections.

GS-Plus™ spray-type heads deliver a flood of water with internal flow control and filter water to remove impurities

Guardian Combination Eyewash and Shower Station

- Shower head and eyewash bowl made of ABS plastic
- Each spray head has a “flip top” dust cover
- Eyewash Bowl: 11¾" diameter orange ABS plastic

Part Numbers:

- Station with Plastic Bowl • 1660040
- Routine plumbed eyewash inspection • 618715
- Routine plumbed shower inspection • 618716
- Routine plumbed combo inspection • 618717
- Annual plumbed eyewash inspection • 618718
- Annual plumbed shower inspection • 618719
- Annual plumbed combo inspection • 618720

Plumbed eyewash inspection summary includes number of stations inspected. Any station that does not pass the service inspection is recorded.

Additional eyewash

A green, wall-mounted eyewash unit with two spray nozzles. It has a label that says "EMERGENCY EYEWASH".

Pure Flow 1000®

- Unique nozzle design provides soft ribbon of flushing solution at room temperature
- Includes a 24-month service cycle unless activated for use and exceeds ANSI Z358.1-2014
- Integrated fluid reservoir to capture waste for disposal

Part Numbers:

Pure Flow 1000® Unit (cartridges not included) • 132400

2-Pack Cartridge • 132420

A black, A-frame metal stand for eyewash units.

Eyewash Stand

- Fits Pure Flow 1000® and Fendall 2000® eyewash units
- Sturdy, industrial grade

Part Number: 8300608ZC

Supplemental eyewash

Supplemental Emergency Eyewash Station

- Holds two 16 fl oz (473 mL) bottles of buffered isotonic solution eye flush bottle and 500 mL saline solution
- Classified as a supplemental eyewash station

Part numbers:
Complete Station • 23ZC
Replacement 16 oz Eyewash Solution • 612ZC

Supplemental Eyewash

- Buffered isotonic solution in various sizes
- Used to flush away foreign material from eyes or skin

Part Numbers:
4 oz/118 ml • 606ZC
8 oz/236 ml • 608ZC
16 oz/473 ml • 612ZC

Baxter Irrigation Solution

- For irrigation only
- 500ml

Part Numbers: 256ZC

Cederroth Eyewash

- For flushing the eye to reduce chances of severe injury caused by acid, alkali or particulate contamination when combined with a self-contained or plumbed eyewash unit
- 500ml

Part Numbers:
Eyewash bottle • SC04102ZC
Eyewash bracket • SC04103ZC

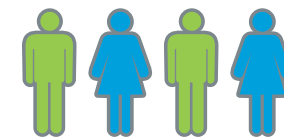

Safety Training

Empower your employees and keep them up to date with safety training. Our classes are offered online, or on-site with PPE and social distancing measures in place.

TRAINING PRODUCTS INCLUDE:

- 117 First Aid, CPR and AED training
- 119 Safety training

40% of Canadians say they have been in an emergency situation where they have had to perform first aid; however, **ONLY 18% ARE CURRENTLY CERTIFIED.**

Although nearly 98% of Canadians say knowing how to perform first aid is important, **82% HAVE NOT TAKEN A FIRST AID COURSE within the last three years.**

DISCLAIMER: DEPENDING ON THE NATURE AND LOCATION OF THE WORKSITE, FEDERAL, STATE, AND LOCAL REGULATIONS MAY REQUIRE THAT EMPLOYERS OFFER SPECIFIC TRAINING TO THEIR EMPLOYEES. EMPLOYERS OR BUSINESSES HAVE SOLE RESPONSIBILITY TO EXAMINE THEIR OPERATIONS TO DETERMINE THE TYPE OF TRAINING THAT IS REQUIRED OR APPROPRIATE. CINTAS DOES NOT PROVIDE RECOMMENDATIONS OR GUIDANCE REGARDING WHICH SAFETY AND TRAINING PROGRAMS ARE REQUIRED OR APPROPRIATE. THE SERVICES ARE PROVIDED FOR EDUCATIONAL PURPOSES ONLY

First Aid, CPR and AED Training

Help keep your employees READY™ to respond with skills-based training. Canadian Red Cross Core First Aid & CPR courses offer lifesaving first aid skills. They meet legislation requirements for provincial worker safety and insurance boards. Schedule your onsite training during business hours, evenings, or weekends – whatever works best for you.

Emergency First Aid & CPR/AED Certification
(7 - 8 hrs) 3 Year Certification

- Skills include: preparing to respond, the EMS system, check, call, care, airway emergencies, breathing and circulation emergencies, first aid for respiratory arrest and cardiac arrest, wound care.

Standard Recertification also available.

Blended First Aid Training

Cintas offers online First Aid, CPR and AED training combined with live instruction – great for employees who can’t make the class.

- 1. Online Course**
Complete theory-based material as part of the online component prior to the course
- 2. Skills Assessment**
Attend an in-person training session where skills will be taught and evaluated
- 3. Certification**
Successfully complete the knowledge evaluation and your course is complete

Blended Course Instruction Times*

	Standard First Aid	Standard First Aid Recert	Emergency First Aid
Online Time**	8 Hours	4 Hours	4 Hours
In-Person Time	5.5–7.5 Hours	3–4 Hours	3.5–4.5 Hours

The knowledge and skill objectives remain the same as those in the traditional in-class course. Participants must complete all skill and knowledge requirements for successful completion of the course.

*Please ask your service or sales professional regarding which topics are available in your area
**Online learning time will vary depending on the learner.

Safety Training*

Live instruction with on-site testing to help keep your employees trained and engaged.

FIRE PREVENTION AND RESPONSE

Course topics include:

- What causes a fire
- Five classes of fire
- Types of fire extinguishers
- When not to fight a fire
- Hands-on fire extinguisher practice

RESPIRATORY PROTECTION AND FIT TESTING

Course topics include:

- Why respirators are important
- Proper selection, fit and storage of respirators
- How to inspect and use a respirator

Make it a day — pair your CPR training with Fire training for one full day of instruction.

*Available in select areas. Ask your Cintas representative which topics are available in your area.

Online Training

In today’s busy workplace, keeping your employees trained can be challenging. Let Cintas help you stay READY with instant access to the training content and compliance resources you need.
